We have put up and sold this article for over 30 years, and CAN SAY IN CONFICENCE AND TRUTH of it what we have ever been able to say of any other medicine-NEVERHAS IT FAILED IN A SINGLE INSTANCE TO EFFECT A CURE, when timely used. Never did we know an insta ce of dissatisfaction by any one who used it. On the con rary, all are delighted with its opera-tions, and speak in terms of commer dation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," a ter 30 years experience, AND PLEDGE OF B REPUTATION FOR THE FULFIL MENT OF WHAT WE HERE D CLARD. In almost every instance where the in ant is suffering from pain and exhau-tion, relief will be found in fifteen or twenty mi utes after the syrup is administered.
Full directions for using will accompany each bottle.
None genuine unless the fac-simile of CURTIS & PER-KINS. New York, is on the outside wrapper Sold by Druggists throughout the world.

enger, at Chambershu g. Pa :

There is a woman in the public eye whose name had all along been associa es, in our mind, with the "Yankee," ' Quack," and ' Humbag." Bu it is so no longer, an i we . sire to wrest her name fro a all such su picious associations in all other minds. Whatever notions we may have of w manly delicacy and propriety, we will a I admit that woman alone is the Nurse—the good Nurs —the best Nurse. Whe her we shall have Female I'h sic ans or not, is a que tion which must be decided by time and principle, and not a matter of taste. Pride, pre udice, capr ce and cu-tim may as well behave themselves, for if there is really a want, there will also be a .unp y; if there be a "call ng," there will be a coming.

Nature and haman asciety are always self-supplying and though art and Fashien may hinder, they cannot Mrs. Winslow does not wish to treat you gentlemen Nor does a e pre-cribe a regimen for your wires; but he modes by appears as a messenger of health and hap places to your infants in the cradle is there anothing improp r in that? A Nurse of "30 years" experience can boldly say what is or is not good for a babe, and ought to be listened to. God s eed her on her humble and happy mission. She is the most successful physician and mod effectual benefactress our little ones ever enjoy d- her doting parents not excepted. Just open the door for her, a d Mrs. Winslow will prove the American Fior-nce Nightingale of the Nursery. of this -e a e so sure, that we will teach our "Susy" to say "A part of it—nothing les—Away with your "Cordial,"
"Paro, oric," "Drops," "Laudanum," and every o her
"Narrotic," by which the babe is drugged into stopidity,
and rendered dull and idiotic for life.

Rest, Health and Comfort to Mother and Child.

We have never seen Mrs. Winslow know her only

through the preparation of her "So thing syrup for Children Teething." If we had the power we would

make her, as she is, a physical savior to the infant race.

MRS. WINSLOW'S SOOTHING SYRUP for children eething, softens the gams, reduces juffammation, allays all pain, and cures wind cholic.
